

Campus Ice Gritting & Snow - Clearance Priority Routes

| | | | |
|-----------|--------------|---|---|
| Date: | 18/12/2017 | Key: | |
| Revision: | C | — Grounds SEF Team | ● Bus Stops |
| Drawn by: | Daniela Rego | — Closed | — Porter SEF Team |
| Scale: | NTS | — Mobility Requirements | — Grounds Priority footpaths |

- PROCEDURES:**
- Security to monitor weather and contact grounds team as and when required
 - Grounds staff will grit / clear snow from paths and roads as indicated in Orange (emergency service routes to be focused on as first priority which are the main roads)
 - Routes indicated in Cyan colour to be focus on once emergency service routes cleared (users with mobility requirements)
 - Porters to clear areas indicated in Pink
 - Security team to close carpark and steps if deemed unsafe to use
 - Security to escalate to on call staff to assist with clearance in advance of staff / students arriving to campus if required
