Do you also want to select an insurance choice (Optional)?

Note:

Your insurance choice is a second choice and it should be used as a backup. You will ONLY get the opportunity to attend if you are not accepted on your firm choice AND you meet the conditions of your insurance choice

You don't have to have an insurance choice. Please only choose one if you want to make this commitment

The conditions for your insurance choice should be less than those required by your firm choice, as this will increase your chances of being accepted on a course should you meet the conditions set by your firm choice

Brighton and Sussex Medical School ^{B74}
Medicine ^{A100}

The university or college has offered you a place subject to conditions.

(Unconditional offer)

Start date: 1 Sep 2016
